Mats and Frames are available, but for a significant increase in cost for the final product and for shipping. I highly recommend framing photos yourself or having a local business mat and frame the photos you order.

Shipping costs vary depending on number of items, time of year, and specific products.

Prints larger than 8" x 10", photos printed on materials other than matte or glossy photographic paper, and any special effects, and so forth may take significantly longer to receive, but usually less than 2 weeks.

Please note that the **resolution** of some photos larger than 8" x 10" may not be as sharp.
